

Dear Roadrunners:

News from Child Nutrition:

Milk is **no longer a free item**. Students who bring a home lunch and take a milk from the cafeteria are charged 75 cents. Milk is included in the price of the School Lunch. **

News from the Front Office:

Classroom Treats

If it is necessary to have food in classrooms during school hours (i.e. birthday snack, holidays, special occasions, school events, etc.), only commercially prepared foods and packaged foods from retail stores should be served. Items must be commercially individually wrapped. As always, please contact your child's teacher prior to sending food or treats in.

VOLUNTEERS:

If you plan on Volunteering at Riffenburgh, you must register or check that your status is current with Poudre School District (PSD) thru the following portal (renewals are every 3 years) before you come to school.

<https://www.psdschools.org/community/volunteers>

** Please remember to bring a Government Issued Identification (Driver's License) to school when you check in in as a Visitor or Volunteer. This is a requirement for the Check In process. **

News from our Health Office:

Clothes Donation:

If you have some shorts that your student grew out of, could you consider dropping them off at the health office? We especially need **boys' shorts, size 7-8**. Thank you.

No Cough Drops in School:

Students are **not to carry cough drops** in their back packs for use during the school day. If cough drops are required, there is a Medication Authorization form from the Health Room that must be completed for any medication to be given at school (prescription or over the counter). This form needs to be filled out and signed by the Health Care Provider and then signed by the Parent and returned to the health room with the cough drops in their original

package. Once this process is complete, the student can come to the Health Room and the Health Room Tech will give them a cough drop. Mints/candies are an alternative for dry throats that can be carried by the student so they can use as they need.

Vaccines:

Vaccination Exclusion Day is Nov. 1, 2022. Your student may be excluded from school if the school does not have an up-to-date vaccine record, certificate of exemption, or in-process plan on file for your student.

Your student must be vaccinated against:

- **Hepatitis B (HepB)**
- **Diphtheria, tetanus, pertussis (DTaP, DTP, Tdap)**
- **Polio (IPV)**
- **Measles, mumps, rubella (MMR)**
- **Varicella (chicken pox)**

More information can be found on the PSD Website under Quick Links>student health>immunizations

PSD will send automatic reminders on Sept. 17 and Oct. 14, 2022.

News from our P.E. Teacher:

Hello Riffenburgh Families,

We will once again be participating in the Fall walk/bike to school challenge. All of the information is attached here and your student will also be bringing home a paper copy of the log. The challenge runs for the whole month of October and logs will be due back to me by Friday Nov. 4. Students can earn different certificate levels based on the number of times they walk or bike to school in October and also be entered into a drawing for a prize package. Please contact me via email if you have any questions about this fun challenge! Please note that my email address has changed.
