### **Classroom Treats**

If it is necessary to have food in classrooms during school hours (i.e. birthday snack, holidays, special occasions, school events, etc.), only commercially prepared foods and packaged foods from retail stores should be served. Items must be commercially individually wrapped. As always, please contact your child's teacher prior to sending food or treats in.

### **Volunteering at Riffenburgh**

If you plan on Volunteering at Riffenburgh, you must register or check that your status is current with Poudre School District (PSD) thru the following portal (renewals are every 3 years) before you come to school.

<https://www.psdschools.org/community/volunteers>

**\*\* Please remember to bring a Government Issued Identification (Driver's License) (**DIGITAL IDs are not accepted**) to school when you check in in as a Visitor or Volunteer. This is a requirement for the Check In process. \*\***

## **News from the Health Office:**

### **No Cough Drops in School**

Students are **not to carry cough drops** in their back packs for use during the school day. If cough drops are required, there is a Medication Authorization form from the Health Room that must be completed for any medication to be given at school (prescription or over the counter). This form needs to be filled out and signed by the Health Care Provider and then signed by the Parent and returned to the health room with the cough drops in their original package. Once this process is complete, the student can come to the Health Room and the Health Room Tech will give them a cough drop. Mints/candies are an alternative for dry throats that can be carried by the student so they can use as they need.

### **Return to School**

Please be advised when your student returns to school from an illness and had any of the following symptoms:

- fever or chills
- cough,
- shortness of breath or difficulty breathing
- fatigue, muscle, or body aches
- headache
- new loss of taste or smell
- sore throat
- congestion or runny nose
- nausea or vomiting, diarrhea

a **NEGATIVE Covid test is required** (home test is accepted).

**Except**, if someone in the household had COVID-19 in the previous 10 days, a negative PCR or molecular test is required.

Please email all test results with **student name, date and time** to:
