News from the Front Office:

The following are important times to note:

- 7:40 am Cafeteria opens for Breakfast (Please do not send students to school prior to 7:40 am)
- 7:45 am Supervision on Campus Starts (If student is not eating breakfast, this is when drop off begins)
- 8:00 am Classroom Doors Open
- **8:05 am Official Start Time**, Learning for the Day Officially Begins

*If you arrive after 8:05am, please come to the front office entry to sign in your student and to choose school lunch (if wanted).

Change in Dismissal Plans

Please call the front office by 1:00 PM if there is a change during the school day and you need to communicate it to your child. Our teachers aren't always able to check email or voicemail during the day and so communicating it to the office assures that your child gets the message. We ask that you do this before 1:00pm as the end of the day gets busy in the office.

Classroom Treats

If it is necessary to have food in classrooms during school hours (i.e. birthday snack, holidays, special occasions, school events, etc.), only commercially prepared foods and packaged foods from retail stores should be served. Items must be commercially individually wrapped. As always, please contact your child's teacher prior to sending food or treats in.

Volunteering at Riffenburgh

If you plan on Volunteering at Riffenburgh, you must register or check that your status is current with Poudre School District (PSD) thru the following portal (renewals are every 3 years) before you come to school.

News from Health Office

No Cough Drops in School: Students are not to carry cough drops in their back packs for use during the school day. If cough drops are required, there is a Medication Authorization form from the Health Room that must be completed for any medication to be given at school (prescription or over the counter). This form needs to be filled out and signed by the Health Care Provider and then signed by the Parent and returned to the health room with the cough drops in their original package. Once this process is complete, the student can come to the Health Room and the Health Room Tech will give them a cough drop. Mints/candies are an alternative for dry throats that can be carried by the student so they can use as they need.

Paws for Tales - January 14, 2023 from 1-5pm

We have enjoyed Paws for Tales for several years here at Riffenburgh. Second graders read to dogs and enjoy their company. This year, the president of Paws for Tales is holding a fundraiser for this incredible group. Information follows if you would like to attend. Maxline and Ray Henry with The Group are hosting this event to share our group with the community and perhaps raise some needed funds. Maxline will donate 10% of their sales during this event between 1:00 and 5:00 PM on January 14, 2023. We hope to see you and all of your friends then to help us celebrate the beginning of another year of giving to the PSD students and others in the community. Bud McMahon, President, Paws For Tales

Support Students Experiencing Homelessness

The number of PSD families and youth experiencing homelessness has risen by 10% since last year, and their needs have risen exponentially. Currently, one out of every 27 students is experiencing homelessness or housing insecurity in our district. Students experiencing homelessness encounter many barriers to their education. Our department works to help youth and families overcome these barriers, including transportation, access to extracurricular activities, before and after-school care, and meeting basic needs. We do this along with case-management to help them reach independence. Your generous donation allows the Language, Culture and Equity Department to support these students and families with personal items, temporary shelter, provisions, clothing, etc. The need has never been greater. Please help us reach our goal of raising \$40,000 to support PSD students and families facing housing insecurity and homelessness. *All donations are tax deductible, and an automated email will provide you with your tax receipt. Thank you for all you do to support our most vulnerable students. With much gratitude, David Autenrieth

Literacy Engagement Nights - Communications

Jan. 4, 2022

Hello PSD staff and families,

Members of the community are invited to help Poudre School District select the next elementary literacy curriculum. There are three nights this month where attendees may provide feedback.

On Nov. 30, the PSD Literacy Materials Review Team met to finalize the vendors for our K-5 literacy adoption. The three finalists are (alphabetic order):

- [Amplify CKLA](#)
- [Imagine EL](#)
- [Into Reading](#)

You may also visit our PSD Curriculum web page dedicated to the new literacy curriculum adoption by clicking the button below.

Sessions are open to the public and scheduled for:

- 6-8 p.m. Jan. 17, Eyestone Elementary School, 4000 Wilson Ave., Wellington
- 6-8 p.m. Jan. 18, Rocky Mountain High School, 1300 W. Swallow Road, Fort Collins
- 6-8 p.m. Jan. 19, Fossil Ridge High School, 5400 Ziegler Road, Fort Collins

The purpose of these nights is to allow families to examine materials first hand, as well as ask questions about the materials directly to vendors. Vendors will present their materials at these events, which include an opening session explaining the purpose for the adoption, what we hope to gain from the adoption, and an overview of the adoption process that has been followed. From there, each participant will be allowed to move among vendor rooms to view individual presentations.

Public feedback on the materials will be collected at these meetings through comment cards placed at the door. We look forward to your participation in the process and the feedback you will provide.

Those with questions may contact Curriculum Director John Passantino at jpassant@psdschools.org.

Sincerely,
Poudre School District
