

K-5 After School Spanish, French, & Mandarin Classes

With Bike Path Learning

What are the benefits to learning a second language?

- It improves memory and attention by up to 20%
- It improves scores on standardized tests by 10%
- Travel more easily- out of 7.2 billion people, only 359 million people speak English

About Bike Path Learning

- We have been in business 14 years
- We have successfully taught over 7,000 students
- We have taught classes in over 30 schools throughout the Denver metro & Northern Colorado regions
- We have over 10 teachers who are fully fluent in multiple languages
- We offer both in- school and online classes
- Our year-long curriculums are the results of consulting with experts, language learning data, and observation of children's overall learning styles
- Our ultimate goal is to offer a program of excellence at an affordable price
