

# LEGO Engineering Riffenburgh Elementary

Adventures in STEM using LEGO® Materials! Spring 2023

Wednesday's | 2:50-4:20 PM | March 22-May 17 | Grades K-2

Let your imagination run wild with tens of thousands of LEGO® parts! Build engineer-designed projects and use special pieces to create your own unique designs!

Projects are **rotated seasonally** to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.

Sign up at [play-well.org](https://play-well.org) (<https://play-well-registration.com/registration/new/97655>)

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more** at [play-well.org](https://play-well.org).
