

LEGO Engineering Riffenburgh Elementary

STEM Explorations using LEGO® Materials! Winter 2023

Wednesday's | 2:50-4:20 PM | January 11 - March 08 | Grades 3-5

Master your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are **rotated seasonally** to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

Sign up at play-well.org (<https://play-well-registration.com/registration/new/97654>)

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more** at play-well.org.
